Boarding School Holiday camps run from 3pm on Sunday until 4pm Thursday.
For the care and comfort of your child please advise us at least 1 week prior to your arrival of any special needs which may affect your child's stay. We attempt to accommodate most needs. These could include the following:

* Sleep disorders, bedwetting, family or other problems or upsets at home, vegetarian diet, food or other allergies, past or current illness or injury, current asthma or allergy plan (please deliver to us), medications (you must include clearly written instructions and permission) etc.

Please note that although all due care is taken in the preparation and production of all meals provided to those who notify us of allergies etc, we cannot guarantee that traces of nuts, soy, dairy or wheat do not remain.

This is a working farm and as such we have our own dogs and cats and do not allow other dogs onto the property.

No mobile phones, ipads etc – if brought, these will be collected and then returned at the end of camp.

Parents may like to phone once or twice during the week on 4887 7239. Please ring in the evenings between 7pm and 9pm and we will be happy to switch you through.

We strongly recommend ambulance cover as in the event of a serious accident an ambulance will be called.

You will need to bring the following items. In the Southern Highlands we can experience all four seasons at any time of the year so come prepared for anything!

Sleeping bag and pillow	3 pairs of jodhpurs, jeans etc
Bath towel and toiletries	3 warm jumpers or pullovers
Sleepwear	5 Polo or T-shirts etc
